Working Student - Quality Management System R&D (m/w/d) - REF100339W

Náplň práce

For our Technology Center in the field of Quality Management - Management Systems at the location **Hanover-Stöcken**, we are looking for a working student (m/f/diverse) starting January 2027. The position comes with a working time of **20 hours per week** for at least **12 months**. You'll work primarily **on site** so you can learn and collaborate directly with the team. Remote work may be possible occasionally.
We are looking for student support in maintaining and further developing our management system for the Global Technology division (30 locations worldwide). Your responsibilities will include the following tasks:

- Assisting with the administration of the management system (e.g., user management, editorial maintenance of process-related documents)
- Defining and creating evaluations, particularly through automation/dashboards, e.g., in Power BI
- Supporting the revision of processes towards digitalization and automation, e.g., through workflow management systems
- Assisting in the creation of training and informational materials

Profil kandidáta

- Advanced studies in a technical or IT-related degree program such as Business Informatics, Industrial Engineering, Data Science, or a similar field
- Study specialization or focus in technical writing is an advantage
- Practical experiences in quality management and/or KPI-reporting
- Good knowledge of workflow management tools and evaluation tools such as Power BI
- Confident use of common MS Office-programs (especially MS Excel and Powerpoint)
- Fluent English language skills, spoken and written
- German language skills are a plus
- Highly motivated, committed, and enthusiastic
- Independent and structured working style

Please attach your **current certificate of enrollment** and also your **current transcripts of records**. Those documents are mandatory for processing your application. If available, please submit your **valid residence permit as well as your work permit** including the additional sheet.

Applications from severely handicapped people are welcome.
