2027 Internship - Finance & Controlling (Hoosier Racing Tire)

Your tasks

THE POSITION

Hoosier Racing Tire is seeking a **2027 Finance & Controlling Intern** to join our team in Plymouth, Indiana.

This internship is designed as a **one-year opportunity**, beginning as early as spring semester 2027 and continuing through Spring 2028. We are seeking a student who can commit to the full internship term while balancing academic responsibilities.

The internship will begin with an expectation of approximately **40 hours per week during the initial onboarding and training period**. As the intern becomes familiar with business processes and demonstrates success in the role, flexible scheduling and limited hybrid work opportunities may be considered based on business needs, performance, and academic commitments.

The Finance & Controlling Intern will support the Finance team through financial analysis, reporting, process improvement initiatives, and month-end closing activities. This role provides hands-on experience in manufacturing finance and controlling while offering exposure to business strategy, operational decision-making, and supply chain management within a global organization.

HOW YOU WILL MAKE AN IMPACT

- Identify and support data automation opportunities using existing databases and reporting processes.
- Support operational decision-making through financial analysis and business insights.
- Assist with month-end closing activities and identify opportunities for sustainable process improvements.
- Support cost controlling, expense tracking, and cost-center reporting against budget and forecast.
- Help improve and standardize reporting processes and tools, primarily using Microsoft Excel.

Your profile

WHAT YOU BRING TO THE ROLE

- Be a student enrolled full-time at an accredited college/university and entering at least sophomore standing by Spring 2027.
- Be pursuing a degree in Finance, Accounting, Economics, or a related field.
- Have a minimum cumulative GPA of 3.0 or higher.
- Must be able to work onsite in Plymouth, IN for the initial onboarding and training period. Following this period, limited hybrid work
