

BW CKU - Business Warehouse Central Key User

Your tasks

The position holder should ensure the development of CT BW to the next level by

- taking over the Business Project Lead and with this ensure a successful realization of BW projects
- supporting the implementation and maintenance of an Online Training Center (based on TTKF)
- developing stakeholder oriented analytics through SAP Analysis for Office (AO)
- leading a transparent end user, BA CKU and management communication

The CT BW consists of several applications like Polaris. Polaris structures our big data regarding Sales & Margin reporting. It is defined as the single source of truth for Customer Master Data and gives input to other tools like the CT CRM (Salesforce). Furthermore it provides important information towards management to support their decision making process e.g., along the CT commercial excellence path.

Your profile

- Bachelor's degree in Information Technology or related field.
- Minimum 3 years of experience within the Information Technology field.
- Prior experience and knowledge of Business Warehouse is a must
- Prior experience working in project teams and designing solutions.
- Knowledge and familiarity of Business Warehouse structures and Developments
- Ability to manage projects.
