About us

Continental develops pioneering technologies and services for sustainable and connected mobility of people and their goods. Founded in 1871, the technology company offers safe, efficient, intelligent and affordable solutions for vehicles, machines, traffic and transportation. In 2020, Continental generated sales of €37.7 billion and currently employs more than 192,000 people in 58 countries and markets. On October 8, 2021, the company celebrated its 150th anniversary. The ContiTech business area focuses on smart and sustainable solutions beyond rubber and develops digital and intelligent solutions in future-oriented sectors. In doing so, ContiTech draws on its long-standing knowledge of the industry and materials to open up new business opportunities by combining various materials with electronic components and individual services. The products, systems and solutions developed by ContiTech are used both in the automotive

industry as well as in railway engineering, machine and plant construction, mining, agriculture and other important sectors of the future.
