Set Up Technician - Tire Build

Your tasks

- Support daily production by setting up the machines, including tooling change and providing a first level of troubleshooting in quality and process aspect
- Support sequencing in the schedule of the machines/planning adjustments, and other tasks given by the supervisor (assist PI, Quality, Uniformity, Scrap, etc.)
- Set up machines every time a new tire starts on machine
- Perform various tooling changes (bladders, rings, knives, etc.)
- Replace bladders/sleeves if necessary, for production tires
- Build/tear down drums if necessary, for production tires
- Make necessary adjustments to recipes/working data
- Provide support to tire builder if the machines run out of sequence and requires advanced troubleshooting
- Support maintenance with major issues
- Support PI with new introduction of tires
- Support quality with non-confirming carcass / green tire production
- Adhere to all safety and environmental rules and regulations
- Must be able to work overtime as required
- Support the Continental Business System (CBS) structure by participating in the applicable CBT meeting, reviewing and managing his/her/team performance, conducting simple problem-solving using action sheets, identifying and implementing improvement opportunities, participating in the CBT reviews, and taking ownership for presented parts of the team boards
- Follow the internal ESH work instructions in the daily work
- Demonstrate exemplary personal behavior in ESH and motivate others
- Ensure immediate notification and response, and initiate preventive measures in case of unsafe or polluting hazards
- Other duties as assigned

Our offer

All your information will be kept confidential according to EEO guidelines.

EEO-Statement:

EEO / AA / Disabled / Protected Veteran Employer. Continental offers equal employment opportunities to all qualified individuals, without regard to unlawful consideration to race, color, sex, sexual orientation, gender identity, age, religion, national origin, disability, veteran status, or any other status protected by applicable law. In addition, as a federal contractor, Continental complies with government regulations, including affirmative action responsibilities, where they apply. To be considered, you must apply for a specific position for which Continental has a current posted job opening. Qualifying applications will be considered only for the specific opening(s) to which you apply. If you would like to be considered for additional or future job openings, we encourage you to reapply for other opportunities as they become available. Further, Continental provides reasonable accommodations to qualified individuals with a disability. If you need assistance in the application process, please reply to Careers@conti-na.com or contact US Recruiting at 248.393.5566. This telephone line and email address are reserved solely for job seekers with disabilities requesting accessibility assistance or an accommodation in the job application process. Please do not call about the status of your job application, if you do not require accessibility assistance or an accommodation. Messages left for other purposes, such as following up on an application or non-disability related technical issues, will not receive a call back.
