

Production Operator

Your tasks

- As a Production Operator you will function as an active team member within the production line by maintaining quality specifications, inputting manufacturing data, viewing SOP's, and maintaining operation of various equipment and machinery depending upon the department's job specifications
- In this role you will be required to accurately meet production schedules, verify materials when needed, and to troubleshoot and report issues when they arise
- You will be required to maintain a clean and safe environment at all times by following good housekeeping practices
- Safety awareness in daily work to ensure a safe work environment at all times is a vital part of your role
- Act as an effective team member to communicate daily tasks and instructions
- Ability to stand for long periods of time with the ability to reach, bend, push, and/or pull, and frequently lift up to 50 pounds when necessary
- The position requires use of PPE which includes safety shoes, safety glasses, and hearing protection; the use of a respirator may be required for specific job departments

Your profile

- Must be able to work proficiently in a manufacturing industrial environment including ability to learn how to operate a forklift
- Shift Schedules are 12 Hour Shifts and are dependent on the department's needs and production demands
- Must be able to work overtime, weekends, and holidays
- Must have and maintain a good attendance record
- Must be able to work in the US without visa or other sponsorship
- Continental is not able to pay relocation expenses for this opportunity

EEO-Statement:

EEO / AA / Disabled / Protected Veteran Employer. Continental offers equal employment opportunities to all qualified individuals, without regard to unlawful consideration to race, color, sex, sexual orientation, gender identity, age, religion, national origin, disability, veteran status, or any other status protected by applicable law. In addition, as a federal contractor, Continental complies with government regulations, including affirmative action responsibilities, where they apply. To be considered, you must apply for a specific position for which Continental has a current posted job opening. Qualifying applications will be considered only for the specific opening(s) to which you apply. If you would like to be considered for additional or future job openings, we encourage you to reapply for other opportunities as they become available. Further, Continental provides reasonable accommodations to qualified individuals with a disability. If you need assistance in the application process, please reply to Careers@conti-na.com or contact US Recruiting at 248.393.5566. This telephone line and email address are reserved solely for job seekers with disabilities requesting accessibility assistance or an accommodation in the job application process. Please do not call about the status of your job application, if you do not require accessibility assistance or an accommodation. Messages left for other purposes, such as following up on an application or non-disability related technical issues, will not receive a call back.
