2024 Manufacturing Technology Engineering Interns

Your tasks

THE COMPANY

Continental Tire has been around for 150 years, we’ve been changing the way the world moves while making it more safe, smart, sustainable and accessible to all. Our Mount Vernon, IL location is seeking Summer Engineering Intern. The ideal candidate has excellent communication skills, is dependable and accountable.

Are you ready to shape the future with us?

THE POSITION

The Summer Internship Program offers a 12 week hands-on internship for students who are interested in working in a manufacturing environment. The Internship Program targets students enrolled in programs that relate to the field of Engineering.

This position is a training position, where under the guidance and control of the Plant Engineering Manager, experience is gained in the use of Plant Engineering Tools and Methods used in optimizing the manufacturing processes and reducing costs.

Analysis of production, Lean manufacturing methods, time studies etc will be used to acquaint the trainee with the tools and methods used in optimizing manufacturing processes.

Every intern will be assigned to individual projects in their department and one group project on which they are evaluated. In addition, they will support other daily tasks and projects.

Your profile

· Candidates must be enrolled in an accredited degree program in Electrical Engineering, Mechanical Engineering or related field.
· Minimum GPA of 2.8
· Legal authorization to work in the U.S. is required. Continental is not able to offer visa support
· Continental is not able to pay relocation expenses for this opportunity.

Our offer

All your information will be kept confidential according to EEO guidelines.

EEO-Statement:

EEO / AA / Disabled / Protected Veteran Employer. Continental offers
equal employment opportunities to all qualified individuals, without regard to unlawful consideration to race, color, sex, sexual orientation, gender identity, age, religion, national origin, disability, veteran status, or any other status protected by applicable law. In addition, as a federal contractor, Continental complies with government regulations, including affirmative action responsibilities, where they apply. To be considered, you must apply for a specific position for which Continental has a current posted job opening. Qualifying applications will be considered only for the specific opening(s) to which you apply. If you would like to be considered for additional or future job openings, we encourage you to reapply for other opportunities as they become available. Further, Continental provides reasonable accommodations to qualified individuals with a disability. If you need assistance in the application process, please reply to Careers@conti-na.com or contact US Recruiting at 248.393.5566. This telephone line and email address are reserved solely for job seekers with disabilities requesting accessibility assistance or an accommodation in the job application process. Please do not call about the status of your job application, if you do not require accessibility assistance or an accommodation. Messages left for other purposes, such as following up on an application or non-disability related technical issues, will not receive a call back.
