

SAP Basis Administrator

Descrição da função

Continental's digital capabilities are growing every day. Our Tires IT team is building a cloud-based data center for the future - and we want you to join us!

Our diverse, global team creates new SAP systems, performs upgrades, and manages performance and integrations across all of Continental's SAP systems. We're also creating a leading cloud-based data center that will ensure information flows even more smoothly to Continental teams around the world.

The Shared Services team operates with an open mind, trust and a healthy sense of humor. If this sounds like you - and if you love to be at the forefront of creating modern technology tools - Continental is the perfect match for you.

In this exciting job you work on the following tasks:

- Supporting the administration maintenance of our SAP system incl. SAP upgrades, workload analysis, system health checks
- Participating in rotating on-call weekend production support
- Collaborating with SAP DC providers, operations & application teams for syst reliability & performance
- Ensuring SAP operations based on internal and external audit requirements
- Working on SAP cybersecurity to support cloud migration projects
- Supporting Solution Manager for SolDoc, SEA, BPCA, CBTA applications
- Providing Basis support for crucial business application projects

Requisitos

- Academic degree in computer science or an equivalent qualification
- Multiple years of work experience with SAP BASIS Administration
- Working knowledge of SAP transport management, tech architecture, monitoring, and optimizing tech
- Experience in Managed System Monitoring
- Knowledge of SAP function modules, RFCs, ALEs and BAPIs, SOLMAN and SEA
- Excellent problem-solving skills
- Intercultural sensitivity
- Keen attention to detail
- Efficient troubleshooting capabilities
- Professional working proficiency in English, developable through training

Applications from severely handicapped people are welcome.

O que oferecemos

What we offer:

The job in numbers: You are going to work full-time in a team of 13.

We offer 12 days of vacation per year.

Being part of a global IT team of thousands of colleagues working on various innovations and tasks, there is always an opportunity to grow and move into different directions within our corporation.

On top of that you can expect the following benefits:

- Individual development planning based on your personal needs and targets (e. g. mentoring, trainings or global internal Software Academy)
- Work from home up to 2 days a week (unless workshops etc. require physical presence)
- Permits with pay (e. g. birthday, marriage)
- Agile and collaborative workstyle
- Opportunity to make a difference
- Employee discounts
- An international team across 8 locations in a globally active organization
- Transparent pension plan
- Good conditions for several insurances
- Life insurance
- Health insurance
- Relocation package offered if needed
- Canteen on-site
- Pantry vouchers
- Clinical Services structure on-site
- Transportation service
- Sabbatical option

If this sounds like a perfect match for you and if you want to become the next supporter of our core values Trust For One Another, Passion to Win and Freedom to Act, we are looking forward receiving your application.

At Continental we are committed to building an inclusive and discrimination-free ecosystem in Mexico, these principles are rooted in our corporate philosophy and culture. Therefore, it is totally forbidden to request a pregnancy or HIV test as part of our selection processes.
