Aftermarket Regional Sales Manager - West

Your tasks

THE COMPANY

ContiTech, a division of Continental, is one of the world’s leading suppliers of technical elastomer products and is a specialist in plastics technology. ContiTech develops and produces functional parts, components, and systems for machine and plant engineering, mining, the automotive industry, and other important industries. We are seeking an Aftermarket Regional Sales Manager - West to join our team.

ONE ContiTech – The first choice for material driven solutions.

Are you ready to shape the future with us?

Please join us and contribute to our goals with your new role as Area Sales Manager. Your new place to work is in the West (remote).

THE POSITION

To be an active and contributing member of the US aftermarket distribution sales team in a coordinated effort to exceed the following targets: Sales growth at a minimum of 3% above the industry, margin, accounts receivables and cost management.

To be a key part of the Aftermarket team to execute our distribution strategy to maximize the BA Industrial Solutions Americas profitable growth and market share.

To drive customer centricity though the entire BA organization to establish a preference and premium for our products and solutions, establishing ContiTech as the preferred partner of choice in the automotive aftermarket.

Responsibilities:

- Segment strategy execution within the area of responsibility
- Responsibility for customer acquisition including cold calls
- Support contracts/ business proposals including commercial negotiation
- Develop and maintain a strong, trusting, and cooperative long-term relationship with our customers in territory during regular site visits and sales calls.
- Leads sales team of the West region and directly takes ownership to support customers to grow our aftermarket offering with joined marketing activities (incl. open house participation), product and sales training, launch of range extension, stock optimizations and gap analysis
- Ensure regular customer feedback on forecast and adjusts input to operations and SCM.
- Provide critical customer feedback, competitor information and
market trends to benchmark our performance.

- Leads sales team of the west region and directly takes ownership to resolve operational and administrative issues, respond to internal and external inquiries, and prepare routine and special reports as required by management.
- Organizes, leads and contributes to a diverse, motivated, supporting and winning team.
- Continuously works to develop the team including their own succession.
- Manages team performance in a transparent, fair and proactive manner.

WHY YOU SHOULD APPLY

- Immediate Benefits
- Paid Time Off
- Tuition & Employee Discounts
- Annual Bonus
- Employer 401(k) Match
- And more benefits that come with working for a global industry leader!

Your profile

BASIC QUALIFICATIONS

- Bachelor’s degree and 5 years sales experience, preferably in the automotive aftermarket
- Previous leadership of field sales (regional and/or sales manager) and experience managing large accounts preferred
- Exceptional verbal and written communication skills, including public speaking
