

Global Category Manager Production Equipment ContiTech (m/f/d) - REF49174H

Náplň práce

As „Purchasing Manager Global Category ContiTech Production Equipment“ (m/f/d) you are responsible for the global sourcing of production equipment and related services.

In detail your tasks will be:

- Preparation and execution of high-value, international negotiations for production equipment and related services as worldwide Purchasing Key Account
- Interface and Stakeholder Management (External Suppliers, Engineering, Controlling, Legal and (Plant) Management)
- Supplier Management
 - Analysis of the global supplier market
 - Supplier evaluation and execution of supplier audits
 - Selection and development of suppliers, particularly focusing on best-cost suppliers
 - Implementation of an organizational set-up to create and execute an intradisciplinary global supplier- and sourcing-strategy
 - Claim and escalation management
- Contract Management
 - Planning, creation and negotiation of high-value, multi-year frame and joint development contracts
 - Creation and implementation of new cooperation concepts (e.g., volume contracts with call-offs, outsourcing of emergency remote support)
- Shaping and enhancing a value-adding central purchasing organization for production equipment that generates a value-add through and beyond negotiation results, balances all of our stakeholders' interests and suits the companies' business model
- Functional management and support of the local purchasing departments in regard to your area of responsibility
- Support of local and central functions in the preparation of budgets and capital requests
- Execution of make-or-buy decisions or initiation of value engineering projects

Profil kandidáta

- Academic Degree (master) in economics, engineering or natural sciences
- Long-term work experience in Strategic Purchasing, Sales or Purchasing related areas as well as a distinct technical understanding
- Expert in conducting complex negotiations
- Excellent communication and intercultural skills
- Experience in strategy development as well as strategy implementation
