

BestDrive Retail Assistant Store Manager

Your tasks

The Retail Assistant Manager is responsible for helping to manage the daily activities necessary to create and maintain sales, operations, and service of a well-established tire dealership. The primary goal of this position is to maximize sales revenue, exceed the expectations of our customers by providing exceptional customer service. The Retail Assistant Manager will be the first line of contact with the customer and is charged with resolving tire issues, service problems and reducing down-time for our customers. Manage the daily activities inside a premium commercial tire dealership. These activities include but are not limited to:

Essential Duties:

- Support inbound calls and orders; provide order entry and logistics assistance for the outside sales associates.
- Demonstrate excellent phone and customer service skills to interact with internal and external customers
- Determine / understand customer needs through qualifying and needs assessment.
- Persuasively up-selling ancillary drivers by recognizing opportunities and explaining benefits.
- Receive and enter all incoming calls for immediate dispatch of service vehicles
- Act as a liaison between the servicing location and the customer
- Communicate with Manager and Supervisor daily.
- Relay work orders to service managers to complete service request.
- Start work orders and invoice as required.
- Assist in verifying all incoming and outgoing product for accuracy in terms of amount, size, and type, informing management of inventory and supply shortages as well as assisting in actual periodic inventory counts
- Ensure all administrative paperwork concerning delivery orders required to move with shipments is available for inspection and that appropriate paperwork accompanies delivery
- Abide by all Company safety policies and state and federal transportation regulations
- Reconcile monthly inventory.
- Process and administer inventory receiving and deliveries
- Assist in quarterly inventory while maintaining security of products and control measures.
- Must be available to work rotating shifts, potentially nights and occasional weekends.
