

## Shopfloor Training Internship

あなたの仕事内容

### POSITION SUMMARY:

The Shopfloor Training Internship at Continental is a once in a lifetime opportunity to support a new facility start-up located in New Braunfels, Texas. The \$110 million facility will manufacture Advanced Driver Assistance Systems for automated and assisted driving. The Shopfloor Training Internship position is a developmental role to gain practical experience in a human resources function and support the needs of the Talent Development & Human Relations Department. In this capacity, the Intern will contribute to successful training development operations for the new facility site. This position is scheduled to work part-time (no more than 31 hours per week) supporting the Talent Development function.

### RESPONSIBILITIES:

- Support in training initiatives for shopfloor employees in the plant
- Support with projects in alignment with the plant training strategy
- Participate in planning and execution of training activities
- Communicate and coordinate with cross-functional teams to schedule and execute trainings
- Support special projects aligned with the HR strategy, specifically focused on learning and development objectives
- Support the HR team in other tasks and duties assigned

### OUTCOMES:

The Workforce Development Intern can expect to gain practical experience in a broad range of HR focused functions and skills including:

- Training coordination
- Planning & Executing Training programs and initiatives
- Strategy of competency building and assessment
