

## Carve-out Manager (m/f/d) - Executive - REF50783A

### Your tasks

- Be part of the dedicated Integration and Carve-out team at Continental and build internal expertise, frameworks and playbooks to achieve group-wide synergy effects by gathering knowledge from cross-sectoral projects and develop best practices
- Support in the development of integration / carve-out processes, tools and templates at Continental
- Report to the Head of Integration and Carve-out team at Continental
- Be the project lead in international integrations and carve-outs together with counterparts from sectors / business areas and structure the processes as well as the project organization
- Lead and develop international project teams composed of workstreams from different Group and Business Functions as well as external advisors
- Work together with other Business and Group Functions (such as Legal, Tax, IT, HR, etc.) and advisors to:
  - Develop the overall operational integration and carve-out concepts, blueprints and step plans
  - Support in the development of legal integration, Day-1 readiness and carve-out concepts
  - Support the carve-out workstreams in the execution of integration and carve-out concepts
  - Support the creation of potential TSAs, change of contractual agreements and provide input for the SPA negotiation
  - Coordinate and contribute to the evaluation of financial implications of a transaction and estimate synergies, one-time costs and run-time cost adjustments
- Monitor, track and report the status of the various projects and the development of best practices
- Work in close cooperation and alignment with the M&A team and respective sectors / business areas in early M&A strategy discussions for potential acquisition or divestiture processes
