

Financial Carve-out Manager (m/f/d) - Executive - REF50792G

Your tasks

- Be part of the dedicated Integration and Carve-out team at Continental and build internal expertise, frameworks and playbooks to achieve group-wide synergy effects by gathering knowledge from cross-sectoral projects and develop best practices
- Support in the development of integration / carve-out processes, tools and templates at Continental focusing on the financial aspects
- Report to the Head of Integration and Carve-out team at Continental
- Closely cooperate with Accounting and Controlling Functions on Group, Sector and BA level as well as with plant and country controllers in the preparation of carve-out financials
- Be the project lead of the financial workstream in international integrations and carve-outs together with counterparts from Group / Sectors / Business Areas, to:
 - Develop operational integration and carve-out concepts, blueprints and step plans in the finance area
 - Support in the development of legal integration, Day-1 readiness and carve-out concepts in the finance area
 - Support the execution of integration and carve-out concepts in the finance area
 - Support in the preparation of carve-out financials reflecting perimeter and allocation adjustments as well as adjustment of extraordinary items
 - Support in the determination of transactional effects from a potential M&A transaction including P&L and cash effects as well as synergies / dissynergies and stranded costs in cooperation with Accounting and Controlling and other Business and Group Functions
 - Support the creation of potential TSAs, change of contractual agreements and provide input for the SPA negotiation
- Lead financial services advisors in the preparation of financial factbooks and financial due diligence reports
- Work in close cooperation and alignment with the M&A team and respective sectors / business areas in early M&A strategy discussions for potential acquisition or divestiture processes
