

# Digital Marketing Platform Intern

## Your tasks

As Intern - Digital Platforms, you will be working with Digital Manager from APAC Marketing team responsible for following:

- Assist and participate in platform overall design process (planning, designing, development, go-live)
- Assist in developing and testing test cases to ensure platform development is working as planned
- Support digital platform owner to collect/follow up on customer requirements

## Your profile

- Preferred University degree in Marketing/Graphic Design/Computer Science related stream
- Excellent oral and written communication skills - English
- Basic Knowledge of design principals and processes
- Quick Learner with ability to self-initiate tasks
- Some experience with digital platform development tools would be a plus (e.g. Flutter, Jira)

## Our offer

Apart from the internship stipend, this is a great opportunity to

- > Exposure to B2B/B2C digital platform (both web and mobile app)
- > High engagement with diverse cultures and background due to regional responsibilities (APAC)
- > Understand and gain insights on the business and its key drivers.
- > Improve your interpersonal and communication skills
