## O nás

**For 150 years we've been changing the way the world moves - now it is your chance to design the next chapter of the strategic growth field of Continental Tires.**

Continental develops pioneering technologies and services for sustainable and connected mobility of people and their goods. Founded in 1871, the technology company offers safe, efficient, intelligent and affordable solutions for vehicles, machines, traffic and transportation. In 2022, Continental generated sales of €39.4 billion and currently employs around 200,000 people in 57 countries and markets.

ContiTrade is the strategic retail arm of the Continental Tire business in Europe. The business purpose of ContiTrade is to facilitate access to the respective markets & leverage Trade opportunities in Europe, the Middle East & Africa (EMEA). The scope of the ContiTrade business ranges from selling tires, tire related services and entire vehicle services for end consumers, wholesale business and fleet customers through approximately 600 equity stores and 2,300 franchise and network partners. The products and services are done through all our POS (Point of Sales), Onsite and On the road support, as well as through our e-commerce platforms.
