**ContiTech Fluid Serbia
D.O.O.**

Continental razvija najnovije tehnologije i usluge za održivu i povezanu mobilnost ljudi i njihovih proizvoda. Osnovana 1871. godine, ova tehnološka kompanija nudi bezbedna, efikasna, inteligentna i dostupna rešenja za vozila, mašine, saobraćaj i transport. 2022. godine, kompanija „Continental“ je ostvarila prodaju od 39,4 milijardi evra i trenutno zapošljava oko 200.000 ljudi u 57 zemalja i tržišta.

ContiTech sektor grupe razvija i proizvodi, na primer, kombinacije materijala, ekološki prihvatljive i inteligentne proizvode i sisteme za automobilsku industriju, železnički inženjering, rudarstvo, poljoprivredu i druge ključne industrije. Vođen vizijom „pametnih i održivih rešenja koja ne podrazumevaju samo gumu“, sektor ove grupe koristi dugogodišnje znanje o industriji i materijalima za otvaranje novih poslovnih mogućnosti kombinovanjem različitih materijala sa elektronskim komponentama i pojedinačnim uslugama.
