

Assistant to Head of Machine Technology Segment Tire Machinery & Stock Preparation (m/f/d) - REF53866E

Tus actividades

Are you enthusiastic about making other people's work life easier? Are you passionate about managing administrative processes and organizing meetings, events and workshops? Then join our Engineering team in Hannover!

As the Assistant in our global team, you will be responsible for all administrative assistant activities of this group. This also includes acting as a central contact person for internal and external stakeholders or ensuring the flow of information within the team.

Your Tasks will mainly include:

- Supporting the Head of Machine Technology Segment Tire Machinery & Stock Preparation and his management team with regards to calendar schedule, contact lists, travel arrangements and expense report
- Planning, coordinating and following-up on internal and external meeting appointments and events
- Preparing and processing presentations, emails, newsletters, blogs and other correspondence in German and English
- Monitoring orders and costs
- Supporting onboarding of new hires
- Supporting global visitor's travel to location, welcome and taking care of visitors
- Taking over or supporting projects with administrative focus, if required

Tu perfil

- Completed vocational training in business administration or comparable qualification
- Several years of working experience as an assistant and working in international and intercultural environment
- Experience in project management desirable
- Experience with SAP systems, focus on ordering process and cost center control
- Advanced knowledge of MS Office programs, focus on Excel
- Fluent in German and English language, written and spoken
- Excellent communication and organization skills
- High level of trustworthiness and integrity and precise, self-dependent, service- and team-oriented working style

Applications from severely handicapped people are welcome.
