

BestDrive Service/Alignment Technician

Your tasks

As a Service/Alignment Technician, you will work at a BestDrive Commercial Tire & Service Center and be responsible for all aspects of tire and related service and repair for off-the-road equipment (e.g., construction, earthmoving, mining, farm).

Responsibilities will include but not be limited to:

- Dismount and mount any type of off-the-road tire including multi-piece rims.
- Determine repairable tire conditions and making such repairs.
- Mount and safely inflate tires to prescribed PSI per load requirements.
- Operate heavy duty tire service equipment and tools including boom cranes, cribbing, jacks, compressors, electric, and hydraulic equipment.
- Properly execute required service ticket and other paperwork.
- Observe and comply with all other safety and liability guidelines and policies, including using protective safety equipment to ensure safe operation of machines as well as manual tools.
- Meet the service goals of the location and of guests.
- Properly maintain assigned service vehicle including appearance as well as onboard service equipment and tools.
- Perform all other duties as assigned by management

Your profile

Basic Requirements:

- 2-5 years' relevant Commercial tire service and alignment experience
- Must have a valid Driver's License for the type of vehicle required for the position and be able to meet commercial driver qualification requirements.
- Must be at least 21 years of age.
- Candidates must be legally authorized to work in the U.S. without company sponsorship now or in the future.

Preferred Qualifications:

- High School or GED.

Our offer
