

System Design Engineer Head-up Displays (m/f/d) - REF55689T

Your tasks

We are looking for a System Design Engineer Head-up Displays (m/f/diverse), to support our System Engineering Team in the area User Experience at the location Babenhausen.

You are responsible for

- the analysis of the stakeholder's needs and expectations
- the definition of the product architecture in cooperation with the discipline design engineers such as electrical, software, display technology and mechanical
- ensuring that the requirements of all lifecycle stages such as quotation, development, manufacturing and maintenance are addressed at the right point in the lifecycle of the system design
- covering an end to end responsibility of technical aspects (left side of V-cycle) in order to ensure that requirements of all life cycle stages are addressed with the best choice solutions in terms of quality, delivery and costs

Your profile

- Academic Degree in Engineering Science (e.g. Electrical Engineering, Mechanical Engineering, Physics, Information Technology or similar)
- Several years of professional experience in technical projects, preferably in the Automotive Industry
- Experience with the product Head-Up Display or similar opto-mechanical products preferred
- Experience in more than one engineering discipline preferred
- Good knowledge in using MS-Office Tools
- Very good German and English language skills (written and spoken)
- Intercultural competency
- Capability of Teamwork

Applications from severely handicapped people are welcome.

Our offer

We want to take care of our employees - because we can only develop as an organization with a committed team. This is why we not only offer an exciting job surrounding in an international, innovative technology company but a lot more such as

- a culture that enables our employees to grow
- a multitude of learning & training opportunities
- possibilities for flex work, mobile work (also abroad) & sabbatical
- a company pension plan
- exclusive employee discounts with our Corporate Benefits
- local offers (canteen & bistro, company gas station, free parking,
