

Internship - Process Automation / Power Automate (m/f/d) - REF56677D

Your tasks

For our Global Sales Solutions team within the central Continental Tire organization we are looking for an intern (m/f/diverse) as soon as possible to support us in our daily operations. The internship can be realized for up to 12 months, based on availability.

The position allows a hybrid work style, either from home or in our new headquarters in Hannover.

As an intern (m/f/diverse) for MS Power Automate, you will work closely with an international and highly motivated team, to enhance our global demand process platform.

- Analysis of requirements and provision of topic-specific solutions based on Power Automate
- Extracting data from SharePoint Pages
- Integration of Power Automate into existing structures
- Troubleshoot, troubleshoot, and run tests to keep Power Automate running smoothly
- Create custom workflows to improve workflow operations and increase productivity
- Collaborate with other teams

Your profile

- Bachelor's or master's degree with a focus on (business) informatics or similar
- Knowledge of one or more programming languages (e.g., Java, UI Path) preferred
- Proficiency in MS Power Automate and Power BI highly preferred
- Basic experience in defining APIs is welcome
- Initial knowledge of databases (ER models and SQL)
- Fluent knowledge of German and in English (spoken and written)
- Structured and goal-oriented approach
- You have the ability to work together in a team

Please attach your current certificate of enrollment and also your current transcripts of records and an extract of certificate for a mandatory internship. Those documents are mandatory for processing your application. If required, please submit your valid residence permit as well as your work permit including the additional sheet.

Applications from severely handicapped people are welcome.

About us

Continental develops pioneering technologies and services for sustainable and connected mobility of people and their goods. Founded in 1871, the technology company offers safe, efficient, intelligent and affordable solutions for vehicles, machines, traffic and transportation. In 2022, Continental generated sales of €39.4 billion and currently employs around 200,000 people in 57 countries and markets.

With its premium portfolio in the car, truck, bus, two-wheel and specialty tire segment, the Tires group sector stands for innovative solutions in tire technology. Intelligent products and services related to tires and the promotion of sustainability complete the product portfolio. For specialist dealers and fleet management, Tires offers digital tire monitoring and tire management systems, in addition to other services, with the aim of keeping fleets mobile and increasing their efficiency. With its tires, Continental makes a significant contribution to safe, efficient and environmentally friendly mobility.
