

Maintenance Mechanic

Your tasks

THE POSITION

As part of a dynamic and growing organization, we are seeking a skilled Maintenance Mechanic to join our Maintenance team responsible for ensuring the proper care and upkeep of our manufacturing facility, corporate offices, and fleet of vehicles.

Responsibilities:

1. Vehicle Maintenance:
 - Perform routine maintenance and repairs on company vehicles, including semis, vans, forklifts, mules, and golf carts.
 - Conduct preventative maintenance checks to ensure vehicles are in safe and operable condition.
 - Diagnose and troubleshoot mechanical issues and perform necessary repairs to keep vehicles running smoothly.
 - Utilize diagnostic testing equipment to identify vehicle issues accurately and efficiently.
 - Operate semi-trucks on company property as needed.
2. Facility Maintenance:
 - Assist in the maintenance and upkeep of our corporate campus, including buildings, grounds, and assets.
 - Perform repairs and minor construction tasks as needed to maintain a safe and functional work environment.
3. Asset Management:
 - Maintain inventory of spare parts, tools, and equipment necessary for vehicle and facility maintenance.
 - Coordinate with the maintenance manager to ensure adequate stock levels and timely procurement of supplies.
4. Safety Compliance:
 - Ensure compliance with all safety regulations and company policies in performing maintenance tasks.
 - Conduct safety inspections on vehicles and equipment to identify and address any safety hazards.
 - Conduct annual DOT inspections on vehicles to ensure compliance with regulations.
 - Maintain accurate records of maintenance activities and track vehicle performance metrics.
5. Team Collaboration:
 - Collaborate with other members of the maintenance team to prioritize tasks and support overall departmental goals.
 - Communicate effectively with supervisors and colleagues to coordinate maintenance activities and share relevant information.
