

Analyst Intern - Strategy&Planning

Náplň práce

In the Continental AM Budapest, we are creating the next generation of software solutions to power safety-critical systems and enable autonomous driving features in new vehicles around the globe. We are working towards Vision Zero, a goal to eliminate thousands of fatal accidents happening every day on the world's roads. Our aim is to develop cutting edge techniques that sense and understand the vehicle environment.

As an Analyst Intern you will be supporting the leaders of our Customer Segment Europe teams who help deliver software solutions for ADAS customer projects.

Your task:

- Maintaining and updating PowerBIs
- Modification of data, pivot tables, updating of database information (raw data)
- Improvement measures for AI involvement / embedding to our tools
- Evaluation of external market reports and comparison with internal available information
- Participation in internal stakeholder alignments & collaboration
- Maintaining and tracking operative actions related to sales or product portfolio
- Data visualization: creating tables, charts, flows, etc
- Other ad hoc administrative tasks

Profil kandidáta

- Ongoing university studies (BSc, MSc) for at least 1 more year
- Able to work 24 hours/week
- Experience in using Excel and PowerBI
- Knowledge of Artificial Intelligence
- Good analytical skills
- Good communication skills
- Good data visualization skills

In addition, it would be beneficial to have:

- Programming skills
- Experience in supporting tool development / change requests handling

Čo ponúkame

- An inspiring local team and collaboration in our international development network
