

Controlling Group Lead

Descrição da função

THE POSITION

- Responsible for the management of the Plant's PLT Controlling Team as well as supporting the plant controller for cost reduction and process improvement.
- Ensures PLT plant operations managers are receiving timely, accurate, and useful financial reports.
- Ensuring completeness of month end closing (including Forecast) and budget process tasks (e.g. analysis of variations, fix costs, preparation of D-Charts)
- Generate daily, weekly, monthly reports as requested from the management (and any associated analysis) and discuss it with department managers.
- Manage monthly reporting of the financial performance for the PLT division in the Sumter plant to central controlling, local plant management, WW Manufacturing controlling, and Business Unit controllers.
- Represent controlling in business team meetings.
- Manage the implementation of common standard corporate financial & accounting processes and procedures as directed from the Central Controlling function in the Americas and/or Worldwide HQ.
- Propose methods and programs for improving financial results of the Sumter plant.
- Lead local management team to drive the plant to meet financial goals for all operative activities that impact Sumter financial performance.
- Provide overall management of the PLT Plant Controlling in the Sumter plant to support plant operations, strategic planning, financial analysis, YE hard close, and annual budgeting.
- Develop planning and budgeting systems to ensure accurate, rapid, and transparent reporting of the financial performance of the plant.
- Take over additional tasks within the Controlling team as a substitute for (as example but not limited) investment controlling, product costing.
- Adopt standardized SAP reports used by Continental AG Tire Cost Systems
- Issue procedures and work instructions, ensure implementation of measures, and maintain controls
- Raise awareness, ensure regular ESH training and provide information about ESH responsibilities and duties
- Ensure immediate notification and response, and initiate preventive measures in case of unsafe or polluting hazards
- Demonstrate exemplary personal behavior in ESH and motivate others
