

Associate / Manufacturing Analyst

Your tasks

THE POSITION

Hoosier Racing Tire in **Plymouth, IN** is seeking an **Industrial Engineer** to join our growing Team. This role handles continuous improvement of our Manufacturing Systems and Processes in our production facility.

HOW YOU WILL MAKE AN IMPACT

- Drive and manage operational excellence initiatives, identifying opportunities for process improvement.
- Implement and sustain best practices in Tire and Rubber Manufacturing, ensuring high performance and quality outcomes.
- Develop and keep a Digitalization Roadmap addressing plant operational pain points and central requirements.
- Secure buy-in and active support from managers and other stakeholders.
- Communicate the vision for value-adding shopfloor digitalization across local and central teams.
- Ensure clarity of responsibilities (“who needs to do what, when”) to maintain progress
- Build and sustain a strong local network with MTE, IT, and IE for MSM and LKUs.

Your profile

WHAT YOU BRING TO THE ROLE

- Bachelor's Degree in Industrial Engineering, Operations Management, Supply Chain, Finance, Business Analytics, Data Analytics, or a related analytical field
- Strong Project and Time management skills
- Self-motivated and proactive, with a track record of contributing both independently and as part of a team.
- Legal authorization to work in the U.S. with no visa sponsorship or relocation available for this role.

ADDITIONAL WAYS TO STAND OUT

- Have a background in systems implementation or strong change management skills.
- Knowledge of Tire and Rubber manufacturing practices
