

ESH Internship (8h) - Tires

Your tasks

If you are still a student you can find the opportunity to develop yourself in a professional environment.

Responsibilities:

- Conduct field audits (predominantly outdoor activity) for contractor companies operating on our plant premises;
- Ensure strict compliance with safety standards and internal rules, acting as a strong promoter of a safe working environment;
- Maintain a firm and consistent approach when identifying non-conformities, demonstrating perseverance and the ability to uphold decisions when necessary;
- Apply internal procedures and regulations accurately, with high attention to detail and consistency;
- Communicate observations from the field clearly and professionally, and follow up to ensure timely implementation of corrective actions;
- Centralize documents collected.

Your profile

- Student at university (final year of bachelor degree or first year of master);
- Organized person, responsible, flexible and proactive;
- Attention to details;
- Good communication skills;
- Availability for a full-time schedule (8 hours per day);
- Good knowledge of Microsoft Office package (PowerPoint, Excel, Word).

Our offer

- Integration Program in a professional, young & dynamic team;
- Competitive Salaries (based on performance);
- 13th salary;
- Health & Wellness Benefits (Private Health and Life Insurance, Sport activities etc.);
- Different discounts (glasses, tires, medical, shopping);
- Professional Development Opportunities (in Technical and Managerial Area);
- Flexible Working Schedule;
- Stability;
- International Work Environment & Traveling.

S.C. Continental Automotive Products S.R.L.

Continental develops pioneering technologies and services for sustainable and connected mobility of people and their goods. Founded in 1871, the technology company offers safe, efficient, intelligent and affordable solutions for vehicles, machines, traffic and transportation. In 2024, Continental generated sales of €39.7 billion and currently employs around 190,000 people in 55 countries and markets.

With its premium portfolio in the car, truck, bus, two-wheel and specialty tire segment, the Tires group sector stands for innovative solutions in tire technology. Intelligent products and services related to tires and the promotion of sustainability complete the product portfolio. For specialist dealers and fleet management, Tires offers digital tire monitoring and tire management systems, in addition to other services, with the aim of keeping fleets mobile and increasing their efficiency. With its tires, Continental makes a significant contribution to safe, efficient and environmentally friendly mobility.
