

Global Category Buyer

Your tasks

- Support in developing global purchasing strategies for the respective categories to ensure best prices, lean and efficient processes, availability on demand, and meeting the necessary quality standards.
- Drive best cost country and localization strategy.
- Coordinate with related corporate functions in line with Continental purchasing standards.
- Manage global supplier portfolio incl. market analysis.
- Steer selection of new (PM) suppliers in collaboration with R&D and develop suppliers to ensure timely sourcing, quality and competitiveness.
- Negotiate frame agreements.
- Monitor market pricing and availability movements for key production materials.
- Manage task forces/projects and related risk analyses for the respective categories, and taking necessary actions (e.g. in case of raw material shortages).
- Support price budgeting and demand forecasting.
- Calculate and report all savings in respective tools.

Your profile

- Bachelor's Degree in economics, engineering, operations or related field (university / university of applied science).
- Professional experience in raw material purchasing or comparable function.
- Professional experience in working in an international acting company with a global purchasing network.
- Very good negotiation and communication skills and analytical thinking.
- Proven project management skills.
- Fluent English language skills (written and spoken), further languages beneficial.
- Ability to work independently as well as high level of self-motivation and teamwork.
- High level of social & intercultural competence.
- Willingness to travel (circa 10-15%).
