

Lead Material Handler - Warehouse 2nd shift (3pm - 11pm)

Your tasks

Oversee the safe material handling activities of all raw materials, WIP, and finished goods throughout the organization and ensure adequate resources are available at point of use to meet daily production and/or requirements.

1. Lead shift material handlers and allocate resources where needed to support the movement of raw materials, WIP, and finished goods.
2. Coordinate transport activities including box truck and trailer loading and unloading while ensuring all Environmental, Safety & Health (ESH) guidelines (e.g., PPE, chock blocks, dock locks and safety chains) are followed.
3. Responsible to place orders for materials in SAP in a timely manner that support daily production requirements and established stock levels throughout the facilities.
4. Support receiving activities and documentation for receipts and other related SAP transactions for assigned location.
5. Coordinate resources (equipment and labor) to fulfill routine and non-routine requests including overtime and special projects.
6. Ensure open communications exist on a daily basis to facilitate ever changing requirements and escalate safety, inventory discrepancies and shortages to management. Resources include mobile phones, email, two-way radios and other company systems.
7. Responsible for the safe operation of all Logistics Powered Industrial Trucks (PIT) including mandatory shift safety checks, established operating guidelines, PPE, and all other required organizational protocols.
8. Access information via SAP and other business systems (SDS Database, Document Control) as needed.
9. Coordinate the removal of plant refuse and recyclables in accordance with established facility guidelines and assist in maintaining outside storage areas.
10. Coordinate inventory maintenance activities including physical inventories, cycle counts, shift by shift inventory sheets, and spot checks as needed.
11. Participating in the auditing process including implementation of continuous improvement initiatives.
12. Maintain a clean and safe workspace including housekeeping and other efforts that support a clean and safe workplace. Incorporate 5 S (everything has a place) into your work environment.

EEO-Statement:

EEO / Disabled / Protected Veteran Employer. Continental offers equal employment opportunities to all qualified individuals, without regard to unlawful consideration to race, color, sex, sexual orientation, gender identity, age, religion, national origin, disability, veteran status, or any other status protected by applicable law. In addition, as a federal contractor, Continental complies with government regulations, including affirmative action responsibilities for qualified individuals with a disability and protected veterans, where they apply. To be considered, you must apply for a specific position for which Continental has a current posted job opening. Qualifying applications will be considered only for the specific opening(s) to which you apply. If you would like to be considered for additional or future job openings, we encourage you to reapply for other opportunities as they become available. Further, Continental provides reasonable accommodations to qualified individuals with a disability. If you need assistance in the application process, please reply to Careers@conti-na.com or contact US Recruiting at 248.393.5566. This telephone line and email address are reserved solely for job seekers with disabilities requesting accessibility assistance or an accommodation in the job application process. Please do not call about the status of your job application, if you do not require accessibility assistance or an accommodation. Messages left for other purposes, such as following up on an application or non-disability related technical issues, will not receive a call back.
