

## Electronic Repair Specialist (Monday - Friday - 1st Shift)

### Descrição da função

#### YOUR TASKS

In this role you will be responsible for the troubleshooting, repairing, and maintaining audiovisual, electronic, and electro-mechanical equipment; maintain inventories of parts and equipment; provide technical assistance to equipment users; perform related work.

#### HOW YOU WILL MAKE AN IMPACT

- Troubleshoot, repair, calibrate, and maintain audiovisual, electronic, electromechanical, and digital systems.
- Use test equipment (oscilloscopes, function generators, etc.) to diagnose and resolve malfunctions.
- Repair and replace electronic components (transistors, capacitors, resistors, diodes).
- Design and fabricate precision electronic parts, control panels, and test devices.
- Review and interpret blueprints, schematics, and specifications for repairs and fabrication.
- Perform preventive maintenance and maintain detailed repair records for predictive maintenance.
- Integrate audiovisual components and troubleshoot micro-computer equipment.
- Communicate effectively with supervisors, engineers, and other departments.
- Follow all safety, environmental, and plant policies; forklift certification required.
- Maintain a clean, organized workspace and ensure equipment remains in top condition.
- Other Duties as Assigned - Support additional maintenance and operational tasks as required.

**NOTE: May not be inclusive of all work required and may be updated as needed.**

#### THE ENVIRONMENT

- Safety is our highest priority and safety procedures / guidelines must be always adhered to. This includes safety wear such as steel toes, hearing protection, etc.
- The job is within a non-climate-controlled environment where you will be exposed to temperature swings (hot/cold), forklift and pedestrian traffic, and noise
- The role involves various physical tasks, including lifting and operating machinery, with comprehensive training provided
- Must be able to stand for long periods, frequently stoop, twist, bend, walk long distances, climb stairs/ladders, and lift 50 or more pounds occasionally.
