

Coordinador Administrativo de Ventas

Tus actividades

You will be responsible for the coordination of the Order Management Process, granting service level excellence to customers and stakeholders, products delivered on time.

Your team is responsible for:

Order Handling: order receipt and entry into SAP. Daily, negotiation with customers about order status, delivery date, minimum quantities, replacements, etc. Responsible for order since it is confirmed up to final delivery to customer, considering the different Incoterms negotiated. Inside sales activities, supporting the Sales team with status of orders per salesperson, per region, reports about open orders, always following up invoicing and targets previously defined.

Support to Sales team: interaction with other internal departments like Logistic, Supply-Chain, etc, in order to provide accurate information to customer and sales team, also negotiating delivery date. Support customer with information about stock, Prices, instructions about how to act in situations like delivery discrepancies, payment term changes, new codes to be registered into our Customer Master Data + customer information maintenance into SAP.

Direct Sales: support Sales Team with direct calls to customers in order to increase sales volume, by providing options, offering material that is available in stock, for example. Identify region not achieving the goals in order to focus action plans correctly.

Operations: grant the invoicing flow, avoiding open orders. Daily follow up on orders and shipments status. Control the volume being shipped daily, follow up on the KPIs established in the Sales Operations/Inside Sales Department, customer care/conduct customer complaints, issues reported.
