Über uns

Continental develops pioneering technologies and services for the sustainable and connected mobility of people and their goods. Founded in 1871, the technology company provides safe, efficient, smart and affordable solutions for vehicles, machinery, traffic and transportation. In 2021, Continental generated sales of €33.8 billion and currently employs more than 190,000 people in 58 countries and markets. On October 8, 2021, the company celebrated its 150th anniversary. With its premium portfolio of the division of cars, trucks, buses, two-wheelers and special tires, the Tires sector of the group provides innovative solutions in the area of tire technology. Smart products and services related to tires and the promotion of sustainability complete the product portfolio. For specialized dealers and fleet managers, the Tires sector offers digital tire monitoring and management systems, in addition to other services, with the objective of guaranteeing the operation of fleets and increasing their efficiency. With the supplied tires, Continental makes a significant contribution to safe, efficient and environmentally friendly mobility.
