

Maintenance Apprentice - 3rd shift

Tus actividades

The Maintenance Apprentice is responsible for maintaining mechanical and electrical equipment within the plant and is an integral part of our team.

Responsibilities include:

1. Troubleshoot and repair mechanical, steam, hydraulic, and pneumatic power transmission and drive systems.
2. Remove, replace, and bleed air from fluid in hydraulic systems before and after maintenance work.
3. Remove and replace lubricant in mechanical systems, such as gearboxes, bearings, and slides.
4. Troubleshoot and repair piping systems, including ferrous and non-ferrous metals, screwed, welded, flanged, or otherwise coupled; including shut-offs, controls, check valves, traps, strainers, and other devices commonly found in process and service piping.
5. Diagnose problems using tools such as hydraulic, pneumatic, and mechanical schematics; mechanical measurement devices; temperature and pressure gauges; and dial gauges.
6. Perform machinist work using common machine tools to cut, shape, and form materials.
7. Use appropriate hand tools to adjust and replace worn and broken parts of structural, rotating, reciprocating, or running machinery.
8. Perform welding, both electric and gas, including flat welding and pipe welding in any position.
9. Conduct sheet metal work for repairing ductwork, machinery guards, drip pans, tanks, vent hoods, and various other types of equipment using light to medium gauge metal.
10. Communicate with maintenance, engineering, and production personnel in a positive and professional manner.
11. Follow Lockout/Tagout (LOTO) procedures and wear proper Personal Protective Equipment (PPE) to maintain a safe working environment.
12. Assist the Area Engineer in updating web pages by identifying obsolete information and adding new instructions, drawings, and manuals.
13. Comply with all plant, corporate, Continental, safety, Indiana, and government codes, standards, and policies.
14. Perform other duties as directed by the Maintenance Group Leader, Maintenance Supervisor or Department Manager.
15. Assist the Maintenance Supervisor in daily duties.
16. Be available for vacancy coverage and overtime as required.
17. Maintain a clean, organized, and professional workspace, including toolbox and equipment.

All your information will be kept confidential according to EEO guidelines.

EEO-Statement:

EEO / AA / Disabled / Protected Veteran Employer. Continental offers equal employment opportunities to all qualified individuals, without regard to unlawful consideration to race, color, sex, sexual orientation, gender identity, age, religion, national origin, disability, veteran status, or any other status protected by applicable law. In addition, as a federal contractor, Continental complies with government regulations, including affirmative action responsibilities, where they apply. To be considered, you must apply for a specific position for which Continental has a current posted job opening. Qualifying applications will be considered only for the specific opening(s) to which you apply. If you would like to be considered for additional or future job openings, we encourage you to reapply for other opportunities as they become available. Further, Continental provides reasonable accommodations to qualified individuals with a disability. If you need assistance in the application process, please reply to Careers@conti-na.com or contact US Recruiting at 248.393.5566. This telephone line and email address are reserved solely for job seekers with disabilities requesting accessibility assistance or an accommodation in the job application process. Please do not call about the status of your job application, if you do not require accessibility assistance or an accommodation. Messages left for other purposes, such as following up on an application or non-disability related technical issues, will not receive a call back.
