

# Legal Operations Manager ContiTech (m/f/diverse) - REF76093M

## Vos activités

We are seeking a visionary and decisive Legal Operations Manager ContiTech to join our dynamic team in Germany. As a key contact in our legal department, you will be responsible for optimizing our legal operations, driving efficiency, and implementing innovative solutions to support our organization's legal needs.

The position can also be staffed at Frankfurt am Main, Germany.

### Your tasks:

- Develop and execute strategic plans to enhance the efficiency and effectiveness of the legal department
- Lead and mentor a team of legal operations professionals, fostering a culture of continuous improvement
- Implement and manage legal technology solutions to streamline processes and increase productivity
- Oversee the department's budget, resource allocation, and vendor relationships
- Collaborate with internal stakeholders to identify opportunities for process improvement and cost reduction
- Develop and maintain key performance indicators (KPIs) to measure and report on the department's performance
- Manage complex projects related to legal operations, compliance, and risk management
- Stay abreast of industry trends and best practices in legal operations to ensure the department remains at the forefront of innovation

## Votre profil

- Fully qualified lawyer or master's degree Business or in a related field
- Several years of experience in a related field (approx. 3-5 years), preferably with a proven track record of leadership in a corporate (legal) environment
- Strong knowledge of legal operations management, including process improvement and legal technology implementation
- Excellent project management skills with the ability to manage multiple initiatives simultaneously
- Demonstrated experience in budget management and vendor relations
- Proficiency in data analysis and reporting, with the ability to translate complex data into actionable insights
- Advanced communication skills, both written and verbal, with the ability to influence stakeholders at all levels; English and German
- Experience leading in teams preferable
- In-depth understanding of legal industry trends, best practices, and regulatory compliance

## A propos de nous

Continental develops pioneering technologies and services for sustainable and connected mobility of people and their goods. Founded in 1871, the technology company offers safe, efficient, intelligent, and affordable solutions for vehicles, machines, traffic and transportation. In 2023, Continental generated sales of €41.4 billion and currently employs around 200,000 people in 56 countries and markets.

Guided by the vision of being the customer's first choice for material-driven solutions, the ContiTech group sector focuses on development competence and material expertise for products and systems made of rubber, plastics, metal, and fabrics. These can also be equipped with electronic components in order to optimize them functionally for individual services. ContiTech's industrial growth areas are primarily in the areas of energy, agriculture, construction, and surfaces. In addition, ContiTech serves the automotive and transportation industries as well as rail transport.
