

Sustainability Manager R&D (m/f/d) Original Equipment Solutions - REF76140N

Tus actividades

- **Coordinate and drive research and development initiatives** focused on sustainable materials, eco-friendly products, and circular economy principles.
- **Establish and nurture a strong sustainability network** by engaging employees, suppliers, and external partners in impactful initiatives.
- **Define and oversee the sustainability roadmap** for OESL, ensuring alignment with evolving market demands and environmental standards.
- **Represent and communicate our sustainability strategy** to customers, while initiating and managing collaborative projects with a strong focus on sustainability and circular innovation.
- **Act as a key interface** between Development, ESH (Environment, Safety & Health), Suppliers, and Customers to foster cross-functional collaboration and sustainable progress.

Tu perfil

- Master's degree in technical studies, preferably in Chemistry, Polymer, or Material Science.
- Several years of experience in sustainability, life cycle assessment, and circular economy.
- Desired experience in the formulation of elastomeric and plastic materials.
- Experience with automotive customers.
- Fluent in English; knowledge of German is advantageous.
- Strong intercultural skills.
- Experience working with international project teams.

Applications from severely handicapped people are welcome.

Lo que ofrecemos

What we offer:

- **Hybrid schedule** - Work-life balance is important, so we offer a flexible schedule with mobile and flexible working models, sabbaticals or cross-border work
- **Corporate Benefits** - We collaborate with different vendors, and we receive discounts for various products - like restaurants, fitness programs etc.
- **System for Rewarding Improvement Ideas** - We have an internal improvement program (Continental Idea Management) that allows you to come up with ideas and to be honored with an attractive bonus (according to your improvement idea)
- **Professional development** - Many opportunities to develop yourself
