About us

Continental develops pioneering technologies and services for the sustainable and connected mobility of people and their goods. Founded in 1871, the technology company provides safe, efficient, intelligent and affordable solutions for vehicles, machinery, traffic and transport. Continental generated sales of €41.4 billion in 2023 and currently employs around 200,000 people in 56 countries and markets.

The ContiTech business sector develops and produces cross-material, environmentally friendly, and intelligent products and systems for the automotive industry, rail transport, mining, the agricultural industry, and other important key industries. Guided by the vision of "Smart & Sustainable Solutions Beyond Rubber", the division uses its long-standing understanding of industry and materials to open up new business opportunities by combining different materials with electronic components and individual components.
