

Senior Legal Counsel (m/f/d) - REF76436C

Vos activités

Within the Tire Sector we are seeking a highly skilled and experienced Senior Legal Counsel (m/f/diverse) with expertise in technical product compliance to join our dynamic legal team in Hannover, Germany. As a key member of our Global Commercial Law Department, you will provide expert legal advice to the tire business, among others:

- Provide legal support in related issues of technical product compliance, in particular for the Quality-relevant departments, as well as the respective operational units
- Support product recalls and product integrity issues
- Support responding to regulatory authority inquiries, including but not limited, investigations and technical support
- Independent and continuous analysis, monitoring, and evaluation of relevant legal regulations, including current developments at legislative levels
- Independent legal evaluation of actual and potential risks and liabilities, as well as the development of methods, processes, procedures, and systems to ensure compliance (e.g., overall risk management system)
- Independent preparation of general legal and business guidelines and legal expert opinions taking into account current legal developments and legislative developments (actual and anticipated)
- Support the constant evolution of an appropriate risk management system
- Independent legal evaluation and interpretation of technical and environmental regulations, rules and guidelines impacting daily operations
- Provide pragmatic day-to-day advice, together with strategic advice to minimize legal risks and liabilities while advancing business goals and initiatives
- Counsel and train employees on relevant regulatory compliance issues, best practices, and corporate strategies
- Develop and organize training courses to ensure legal and product compliance, best practices, and corporate strategies
