

Controlling CO Key User SAP S4 HANA

Your tasks

HOW YOU WILL MAKE AN IMPACT

The Regional Controlling CO Key User SAP S4 HANA will take a leading role in the implementation of SAP S4 HANA across multiple locations in ContiTech USA, LLC., and its subsidiaries as well as ContiTech Canada Inc, and its subsidiaries.

- Become a subject matter expert in their SAP S4 HANA Module.
- Understand the overall business model of the locations assigned to them (Preparation and Kick off phases).
- Perform fit-to-template analysis and integration tests with Local CO key user and IT.
- Identify local needs and work with the Project IMP@CT team and local end-users to address them.
- Work with LKU's of other SAP modules to ensure all processes interact properly.
- Interact with subject matter experts and with plant controllers to ensure functionality of specific processes.
- Train local end-users, first level of support to address end-user questions and concerns.
- Support plants during hyper-care phase after go-live.
- Identify, document, and socialize lessons learned after each implementation.

Your profile

WHAT YOU BRING TO THE ROLE

- Bachelor's degree in finance, economics, business administration, or related field.
- Minimum 5 years of relevant professional experience.
- Experience and/or knowledge in accounting / controlling, with exposure to different areas.
- Strong experience in SAP CO (R3 or S4).
- Highly organized, multi-tasker, self-starter, problem-solver, able to work independently, fast learner, process oriented, able to work productively with others and communicate effectively.
- Able to travel 50% of the time as needed to support the project.
- Legal authorization to work in the U.S. is required. We will not sponsor individuals for employment visas, now or in the future, for this job opening.
- Continental is not able to pay relocation expenses for this opportunity.

ADDITIONAL WAYS TO STAND OUT

EEO-Statement:

EEO / Disabled / Protected Veteran Employer. Continental offers equal employment opportunities to all qualified individuals, without regard to unlawful consideration to race, color, sex, sexual orientation, gender identity, age, religion, national origin, disability, veteran status, or any other status protected by applicable law. In addition, as a federal contractor, Continental complies with government regulations, including affirmative action responsibilities for qualified individuals with a disability and protected veterans, where they apply. To be considered, you must apply for a specific position for which Continental has a current posted job opening. Qualifying applications will be considered only for the specific opening(s) to which you apply. If you would like to be considered for additional or future job openings, we encourage you to reapply for other opportunities as they become available. Further, Continental provides reasonable accommodations to qualified individuals with a disability. If you need assistance in the application process, please reply to Careers@conti-na.com or contact US Recruiting at 248.393.5566. This telephone line and email address are reserved solely for job seekers with disabilities requesting accessibility assistance or an accommodation in the job application process. Please do not call about the status of your job application, if you do not require accessibility assistance or an accommodation. Messages left for other purposes, such as following up on an application or non-disability related technical issues, will not receive a call back.

About us

THE COMPANY

Continental develops pioneering technologies and services for sustainable and connected mobility of people and their goods. Founded in 1871, the technology company offers safe, efficient, intelligent, and affordable solutions for vehicles, machines, traffic, and transportation. In 2023, Continental generated sales of €41.4 billion and currently employs around 200,000 people in 56 countries and markets.

ContiTech is one of the world's leading industry specialists. The Continental group sector offers its customers connected, environment-friendly, safe, and convenient industry and service solutions using a range of materials for off-highway applications, on rails and roads, in the air, under and above the ground, in industrial environments, for the food sector and the furniture industry. With about 42,000 employees in more than 40 countries and sales of some 6.8 billion euros (2023), the global industrial partner is active with core branches in Asia, Europe and North and South America.
