

Intern - Digital Solutions, Marketing

Descrição da função

HOW YOU WILL MAKE AN IMPACT

Continental Tires is on its way to become the leading tire solution provider. Digital Solutions is a key differentiator in realizing this vision.

In our Digital Solution Product Management & Operations Americas department we are the architects of these solutions. Together with our counterparts in the Headquarters and our development partners in IT and R&D we turn customer problems into value creating tire management solutions, which are enabled based on sensors, connectivity, platforms, and algorithms.

In our department we are looking for an enthusiastic, self-driven, and curious intern. You will have the opportunity to work with our team to:

- Support the launch of our newest digital products
- Work with top edge platforms to prepare insights for our customers
- Collaborate in our innovation projects by accompanying ideas throughout the creation process

So, if you want to become an architect of innovative digital solutions, and want to work in a dynamic environment, you should apply to work with us!

THE PERKS

- Competitive pay
- Hands on experience with the team
- Project experience
- Mentorship Opportunities
- Company lunch and learns
- Networking
- And more benefits that come with working for a global industry leader!
