

Legal Counsel

Your tasks

Legal Counsel will be primarily responsible for providing legal support for ContiTech's business operations in Mexico (the "Region").

The position involves providing legal advice and support to ContiTech's business operations in the Region in all legal matters, as well as collaboration with other members of ContiTech's Global Law Department across the globe. A Legal Counsel will draft, review, negotiate and manage a wide variety of contracts/documents for ContiTech's business operations in the Region, and will manage and coordinate the relationship with external counsels.

Specifically, the legal services to be provided will include the following

General legal advice:

- Handling legal issues and advising on national and international matters of all ContiTech companies in the Region, embedded in a global team of lawyers
- Identification and analysis of legal risks, development and implementation of solutions to avoid, limit or secure them.
- Follow current legal developments.
- Professional support of legal colleagues in other jurisdictions in the aforementioned area of responsibility.

Contracts:

- Drafting, negotiation, review and interpretation of all contracts typical of companies in cooperation with the (operational) specialist departments / divisions in English, even in complex projects with outstanding importance and required expert knowledge
- This includes both individual contractual provisions from specific business transactions and framework and standard contracts for new business transactions.
- Legal advice on ongoing contractual relationships, including national and international supply and service relationships.

Standardization:

- Independent advice on the planning and implementation of basic action structures, including ensuring by drafting guidelines, instructions for action and processes
- Analysis, evaluation and preparation of standard legal documents, model contracts and general terms and conditions as well as their adaptation to new legal frameworks

Claim Management:

- Ensuring, managing and monitoring the defense and enforcement of civil law claims, including civil and criminal court proceedings as well as arbitration proceedings
