

Legal Counsel Associate - Commercial Real Estate

Descrição da função

HOW YOU WILL MAKE AN IMPACT

SG 11

The role involves comprehensive legal support for a company's commercial operations, focusing on the negotiation and drafting of a wide range of domestic and international contracts, including agreements with customers, suppliers, and business partners. In addition, this role will require the ability to handle topics pertaining to commercial matters, as business needs arise.

- Review, negotiate and draft various domestic and international commercial contracts with customers, dealers/distributors, suppliers and business partners, including service agreements, pricing and supply agreements, component purchases, equipment purchases and installation agreements, lease and bailment agreements.
- Provide counsel to the commercial real estate team, including drafting, review and negotiation of purchase and sale agreements, construction contracts, leases, title review, easements, SNDA agreements, and tenant estoppel certificates (in coordination with outside counsel).
- Provide legal and business advice necessary to support all company business areas and corporate functions with daily operations. Regularly recurring topics may include federal and quasi-federal contract negotiations, government incentives, digital topics and support, brand enforcement, bankruptcy, M&A, and customs and trade compliance.
- Collaborate with marketing and communication teams to review advertising and product materials and press releases, as well as draft and negotiate sponsorships, licenses, releases, and trade show arrangements.
- Counsel and train employees on bid and contract review processes and other relevant legal, compliance, and risk management issues, best practices and corporate strategies.
- Manage customer and supplier disputes and formal litigation matters which may necessitate managing outside counsel.
- Manage corporate governance for all North American legal entities, supporting oversight of internal company mergers, board and shareholder/member resolutions and corporate filings.
- Must have ability to explain complex, challenging issues in a clear manner to all levels of the organization, including senior management.
- Must have ability to work directly with and gain client confidence to encourage and continue the proactive use of in-house legal counsel.
