

eXplore Industrial Engineering Graduate Trainee

Your tasks

The eXplore Industrial Engineering Trainee will:

Join our innovative engineering team as an eXplore Engineering Trainee in Mount Vernon, United States! We're looking for enthusiastic and analytical individuals ready to embark on an exciting journey in the world of engineering. This trainee program is designed to provide hands-on experience and comprehensive training to aspiring engineers who are eager to learn and grow in a dynamic environment.

- Assist in various engineering projects under the guidance of experienced mentors
- Participate in design and development processes using computer-aided design (CAD) software
- Collaborate with cross-functional teams to solve complex engineering challenges
- Attend training sessions and workshops to enhance technical skills and industry knowledge
- Contribute to brainstorming sessions and propose innovative solutions
- Support data collection, analysis, and reporting for ongoing projects
- Assist in the preparation of technical documentation and presentations
- Participate in quality control and testing procedures
- 4 month shopfloor experience including shift work
- Rotations to other departments in order to get an insight into the collaboration of all departments.
- Establish and maintain a network throughout the plant.
- Central projects (Manufacturing/Engineering, R&D, business perspective)
- Fulfill Central training plan in order to gain technical knowledge, competencies, and capabilities in the processes of the manufacturing environment and to develop an understanding of the tire business and structure.
- Establish and maintain a network with the Central departments and the International trainees.
- 1/2 month in one of Continental's Marketing and Sales organizations

NOTE: May not be inclusive of all work required and may be updated as needed.

About us

Continental develops pioneering technologies and services for sustainable and connected mobility of people and their goods. Founded in 1871, the technology company offers safe, efficient, intelligent and affordable solutions for vehicles, machines, traffic and transportation. In 2023, Continental generated sales of €41.4 billion and currently employs around 200,000 people in 56 countries and markets.

Tire solutions from the Tires group sector make mobility safer, smarter, and more sustainable. Its premium portfolio encompasses car, truck, bus, two-wheel, and specialty tires as well as smart solutions and services for fleets and tire retailers. Continental delivers top performance for more than 150 years and is one of the world's largest tire manufacturers. In fiscal 2023, the Tires group sector generated sales of 14 billion euros. Continental's tire division employs more than 56,000 people worldwide and has 20 production and 16 development sites.
