Čo ponúkame

“In an effort to ensure transparency in the selection process for this particular position, we wish to report that Continental has identified a candidate. This is not intended to discourage other candidates from applying for such a position; likewise Continental has not offered the identified candidate the position. Identified Candidate means either (1) the position is currently held by a person who satisfies the requirements of the same, or (2) a current employee has been identified as a successor through HR processes”.

At Continental we are committed to building an inclusive and discrimination-free ecosystem in Mexico, these principles are rooted in

our corporate philosophy and culture. Therefore, it is totally forbidden to request a pregnancy or HIV test as part of our selection processes.

O nás

Continental develops pioneering technologies and services for sustainable and connected mobility of people and their goods. Founded in 1871, the technology company offers safe, efficient, intelligent and affordable solutions for vehicles, machines, traffic and transportation. In 2023, Continental generated preliminary sales of €41.4 billion and currently employs around 200,000 people in 56 countries and markets.

Tire solutions from the **Tires group sector** make mobility safer, smarter, and more sustainable. Its premium portfolio encompasses car, truck, bus, two-wheel, and specialty tires as well as smart solutions and services for fleets and tire retailers. Continental delivers top performance for more than 150 years and is one of the world's largest tire manufacturers. In fiscal 2023, the Tires group sector generated sales of 14 billion euros. Continental's tire division employs more than 56,000 people worldwide and has 20 production and 16 development sites.
