

IT Consultant Purchasing Digitalization

Your tasks

Continental's digital capabilities are growing every day. Our Sales, Logistics and Finance Information Technology Competence Center is the digital backbone of our company's Tire business - and we want you to join us!

Using a wide range of different technologies, the Competence Center ensures Continental's Sales, Logistics and Finance organizations stay on the leading edge of all things digital. From managing service requests to developing the latest solutions and systems, we are the tech foundation of these organizations.

If you love to learn, grow and be on the forefront of creating modern technology tools, Continental is the perfect match for you.

Main Tasks:

- Support IT implementation projects in the purchasing area;
- Lead workstreams and smaller projects in the purchasing area;
- Plan, execute and deliver projects/work packages and ensure high quality delivery within scope, budget and time;
- Develop communication plans and continuously communicate project information, issues, risks, or status to the various stakeholders;
- Ensure compliance with IT standards and rules;
- Contribute with process and IT know-how to provide professional consulting and to ensure functional and technical design;
- Work within a globally distributed organization on multiple time zones with diverse, multi-cultural stakeholders and external development partners;
- Support in designing the digital transformation of Purchasing;
- IT Service Ownership for Purchasing IT services.

Your profile

- University degree in Computer Science, Economics or related qualification;
- Several years of relevant professional experience in the IT area (SAP and or Non SAP applications);
- Several years of work experience in IT Projects (agile and waterfall);
- In-depth knowledge of Source to Pay processes and solutions;
- Experience with SAP SRM / MM;
- Experience with leading Purchasing Suite providers (is a plus);
- IT Service Management experience (is a plus);
- Proficient English language skills (written and spoken);
- Interest in new technologies towards digitalization;
- Very efficient, reliable, and responsible way of working;
