

Executive Assistant to the CFO of the Automotive Board (m/f/d) - REF79313J

Your tasks

We are looking for you to join our Automotive division at the Frankfurt am Main location.

Your tasks will include the following activities:

- Administrative and project-related support
- Preparation and handling of presentations, emails, and correspondence in German and English
- Planning and organizing business trips as well as preparing travel expense reports
- Handling and coordinating appointments, workshops, and events both internally and externally
- Calendar management and tracking of tasks and deadlines
- Ensuring the ordering process via CEOS
- Cost center tracking
- Support and responsibility for defined project-related tasks

Your profile

- Completed commercial training or qualification as a foreign language correspondent or comparable qualification
- Several years of professional experience as an executive assistant or in a comparable function
- Good experience in project-related tasks
- Solid knowledge of MS Office programs and related tools (e.g., TEAMS)
- Fluent English skills, both written and spoken
- Fluent German skills are desirable
- Ability to build networks and collaborate in intercultural and interdisciplinary global teams
- Negotiation skills and persuasiveness
- High level of communication skills
- Integrity and reliability

About us

The Automotive group sector comprises technologies for passive safety, brake, chassis, motion and motion control systems. Innovative solutions for assisted and automated driving, display and operating technologies, as well as audio and camera solutions for the vehicle interior, are also part of the portfolio, as is intelligent information and communication technology for the mobility services of fleet operators and commercial vehicle manufacturers. Comprehensive activities relating to connectivity technologies, vehicle electronics and high-performance computers round off the range of products and services.
