

# Sales & Business Development Manager Motorsport, EMEA - Hoosier Racing Tires

## Responsabilități

### Key Responsibilities:

- Working in conjunction with the European Management and in line with the business plan in order to win profitable business via effective selling into the Motorsport market (both new and existing customers)
- Be responsible for all planning aspects of the sales process including new business acquisition, contract negotiation, product testing, payment, program duration
- Act as primary sales contact for new and existing Motorsport customers on a daily basis
- Liaise with the Engineering department as required to establish correct technical specifications or to instigate engineering work to fulfill customer requirements.
- Take the lead with regard to planning for and attendance of events such as trade shows, competition events and customer tests.
- Handle customer specific telephone enquiries and provide advice to customers on items such as product / technical issues for potential new customers
- Development a network of strong relationships with decision makers & influencers within the target audience
- Assist in any other sales office duties as and when required
- Attend Racing events across Europe, as well as Development Test sessions, in order to facilitate customer requirements on-site and act as an interface between Hoosier and our customers (promoters, Teams/driver, governing bodies, commercial rights-holders)
