

Working Student in Industrial Engineering - Data Analytics / Dashboard Development (m/f/d) - REF81045U

Ihre Aufgaben

Benchmarking and Dashboard Development for Global Comparison of Production Processes

We are looking for creative minds who enjoy teamwork, have innovative ideas, and ambitious goals. **Starting immediately**, we offer a working student (m/f/diverse) position in the field of benchmarking, data analysis, and evaluation in our team in **Hannover-Stöcken** for initially **12 months** and a maximum of **20 hours/week**.

In an innovative work environment, we offer you the chance to learn about many different facets of comparing production processes. We place great value on allowing you to use your personal strengths to the fullest. We provide you with the freedom to develop and implement your own ideas independently.

Your main responsibilities:

- Develop dashboards using the modern Microsoft application PowerBI for global benchmarking of production processes to outline improvement potential for productivity increase
- Communicate and train dashboard functionalities within the global IE and Production community
- Assist in the establishment and implementation of global benchmark reporting, contributing to running projects
- Support ad-hoc and performance analyses

Ihr Profil

- Ongoing studies in the field of mathematics, data analytics, business informatics, mechanical engineering, or similar study programmes
- Good knowledge of MS Office-programs, especially MS Excel and MS PowerPoint
- Experience with MS PowerBI is an advantage
- Very good German and English skills, both written and spoken
- Creative, communicative, and enthusiastic

Please attach your current certificate of enrollment and also your current transcripts of records and an extract of certificate for a mandatory internship. Those documents are mandatory for processing your application.

If required, please submit your valid residence permit as well as your work permit including the additional sheet.

Applications from severely handicapped people are welcome.
