

Internship / Thesis - Marketing and Sales, Software and Services - REF81464J

Descrição da função

We are looking for an internship (m/f/divers) **starting May 2025** to become part of our UXA Marketing Team supporting the creation and implementation of an overall GTM marketing plan.

As part of an internship with a duration of approx. **3-5 months** (also a combination of a mandatory internship with a voluntary internship), you have the opportunity to apply theoretical knowledge in practice and to contribute with your own ideas in a demanding and diverse range of tasks.

Tasks include:

- Supporting the creation and implementation of an overall GTM marketing plan for our various SW solutions, creating market message, and associated material
- Co-ordinating (and conducting) marketing campaigns including social media, blogs, events preparation, creation of marketing assets
- Conduct market research and competitor analysis
- Supporting the creation and maintenance of a CRM system for our Sales Operation
- Supporting Product Lines with creating Product Marketing material
- Support Senior Management on various day to day operational topics

Requisitos

- Students (m/f/divers) in the field of Business Administration, Marketing, or Economics
- Technical affinity and some understanding of Software Business is of advantage
- Confident handling of MS Office-programs
- Fluent in English (Spoken and Written)
- Enjoyment of communication, planning and organizational skills
- Communication and teamwork skills as well as flexibility

Please attach a **CV** and **Letter of Motivation** (500-800 words), your **current certificate of enrollment** and also your **current transcripts of records**. Those documents are mandatory for processing your application.

If required, please submit your valid residence permit as well as your work permit, including the additional sheet.

Applications from severely handicapped people are welcome.
