

Head of Consolidation and Accounting Reporting

Jūsų užduotys

We are looking for an experienced Head of consolidation and Accounting reporting to join our global finance team.

In this role, you will be responsible for managing and coordinating all balance consolidation-related matters for 33 legal entities, ensuring compliance with international reporting regulations, and driving reporting optimization strategies. You will work closely with management, external consultants, and fiscal authorities to provide guidance and lead key reporting standards across multiple location.

- **Financial Consolidation:** Oversee the consolidation of financial data from 33 legal entities, ensuring compliance with IFRS and company policies.
- **Reporting:** Prepare consolidated financial statements and reports for internal and external stakeholders, including quarterly and annual reports.
- **Compliance:** Ensure all financial reporting complies with relevant regulations and standards.
- **Team Leadership:** Providing guidance and support to the local teams.
- **Process Improvement:** Identify and implement improvements in consolidation and reporting processes to enhance efficiency and accuracy.
- **Technical Support:** Provide technical accounting support and guidance on complex transactions and new accounting standards.
- **Audit Coordination:** Act as the primary liaison with external auditors, managing the audit process and addressing any issues that arise.
- **Stakeholder Communication:** Communicate effectively with senior management and other stakeholders regarding financial performance and reporting.
- **Central Key User:** Manage and optimize the reporting tool, ensuring it meets the needs of the organization and integrates seamlessly with other systems. Provide training and support to other users. Participate in tax projects, e.g. HTE, liquidations, mergers, acquisitions and restructurings, etc.
- **Coordinate with international colleagues and external tax advisors on tax matters**
- **Liaise with tax authorities, external auditors and consultants to address tax audits and provide audit support**
- **Strengthen internal tax controls to mitigate potential risks**

Reikalavimai

1. Educational Background:

- A Bachelor's degree in Accounting, Finance, or a related field is

essential.

- Advanced degrees such as a Master's in Business Administration (MBA) or a Master's in Accounting are highly preferred
