Our offer

Ste pripravený pracovať pre Continental? Urobte prvý krok a vyplňte online žiadosť.

About us

Continental develops pioneering technologies and services for sustainable and connected mobility of people and their goods. Founded in 1871, the technology company offers safe, efficient, intelligent and affordable solutions for vehicles, machines, traffic and transportation. In 2022, Continental generated sales of €39.4 billion and currently employs around 200,000 people in 57 countries and markets.

ContiTech Vibration Control Slovakia s.r.o. focuses on the production of bushings (silent blocks) and seals for the automotive and general industry.

In three production halls covering an area of 31,000 m², we manufacture more than 1,600 products on 200 machines. Our extensive product portfolio includes rubber, rubber-metal, and rubber-plastic components designed to reduce the transmission of vibrations and for sound insulation.

We supply our products to over 150 customers worldwide, including well-known names such as BMW, AUDI, MERCEDES, VOLVO, STELLANTIS, FORD, as well as PORSCHE, BENTLEY, and LAMBORGHINI.
