About the Continental Internship Program (*adressed only to ULBS Faculty of Sciences - Mathematics and Informatics and ULBS Faculty of Engineering - Computer Science*)

Let's shape the future of mobility together, starting this summer! We offer a paid internship contract for 1 year, providing you with the flexibility to also attend your courses and seminars.

We will help you develop valuable on-the-job skills and provide excellent networking opportunities.

Apply your theoretical background in a "hands-on" internship experience in the engineering and programming field.

Get in touch with state-of-the-art technologies, innovative projects, and motivated teams.
